# LACQUER KITCHEN FEATURES

Lacquer kitchen cabinets is easy to clean.  
The wood lasts longer than other finishes  
because it's moisture-resistant  
As such, it's easy to maintain and could last up to 10 years!

## **SS TRAYS**

There are different uses for serving trays including carrying food and beverages from one place to another as well as enabling those in the industry to serve specific sized portions of food. Some serving trays are used to hold plates and drinks, while other restaurants choose the tray to serve food on.
